## **WE LOVE OUR GYM**

One of the most significant improvements over the past few years in the Chicago Park School District has been the addition of our full size gymnasium. It is a beautiful facility that provides ample room for school assemblies, rainy day P.E. options, after school sporting events, and so much more. To help us maintain its excellent condition we ask that you send your children to school with non-black soles to avoid streaking the floor. If they want to wear boots or other shoes that may mark the floor, a pair of tennis shoes in their backpack for visits to the gym would be greatly appreciated, especially in the rainy day months when recess and P.E. are conducted in the gym. Thank you for your help in this matter.

## **THE POWER OF POSITIVE PARENTING**

For the second year in a row, CPSD will be hosting a high-powered parenting program. Last year's attendees had nothing but great things to say about the classes. For more information, contact the school office.

## **COPY PERSON**

We are looking for a volunteer that would like to come in one day a week to make copies for the teachers and office. If you have the time and would be interested in helping the staff, we would love to have you assist us. See Dana in the office for more information.

## **SMILE, YOU'RE ON CAMERA**

Over the summer, we experienced some heavy vandalism on campus, costing the District nearly \$1000 to clean-up. As a result we have installed security cameras around campus to provide added protection in the evening and on the weekends. In addition, these cameras are on during the school day. If necessary, we will use footage to help us with any problems that may occur while school is in session. Your child's safety is always our #1 concern.
