4th Grade Supply List

(Safety note: Students will not share any materials. There are two of each item on this list so that one can be left at school and one can stay at home. The items at school will be kept in the sealed Ziplock and put away on the days when that student is not at school for a meeting so it is not accessible to other students.)

Bring to school (I will add these items to my stock to hand out as kids run out, later in the term. Items will be in a cabinet, unused. Once I give one to a student, it's theirs and goes into their Ziplock/folder - no sharing.)
