

# Llama Introduce Myself!

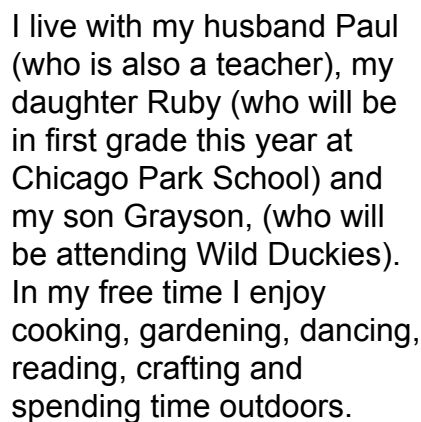

## Welcome to First Grade

My name is Jenna Kross and I am thrilled to be your child's first grade teacher for the 2021/2022 school year. This will be my 4th year at Chicago Park School and my 10th year working in education. I can't wait to meet all my new students and families on August 16th. We are going to have a great year together!

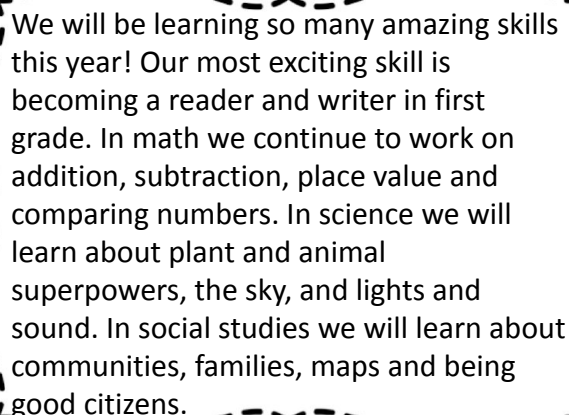

### About Me:

I live with my husband Paul (who is also a teacher), my daughter Ruby (who will be in first grade this year at Chicago Park School) and my son Grayson, (who will be attending Wild Duckies). In my free time I enjoy cooking, gardening, dancing, reading, crafting and spending time outdoors.

### Learning Adventures

We will be learning so many amazing skills this year! Our most exciting skill is becoming a reader and writer in first grade. In math we continue to work on addition, subtraction, place value and comparing numbers. In science we will learn about plant and animal superpowers, the sky, and lights and sound. In social studies we will learn about communities, families, maps and being good citizens.
