Katie Kohler, Superintendent/Principal

Dear Parent/Guardian:

There are many ways to measure your child's learning. Your child's teacher uses report card grades, classroom work, teacher observations, and end-of-year statewide test results to get a complete picture of your child's learning. Each year, students participate in the California Assessment of Student Performance and Progress (CAASPP). Your child will take the following tests, depending on their grade level or instructional program:

- Smarter Balanced Summative Assessments for English language arts and math, required tests in grades 3–8 and 11
- California Science Test (CAST), a required test in grades 5 and 8 and once in high school

This year, Chicago Park Elementary School District, will give the summative assessments in person.

The testing schedule is listed below:

Beginning ~~May 2nd for 4th-8th grades~~ May 9th for 4th-8th grades

Beginning ~~May 9th for 3rd grade~~ May 16th

You are an important part of your child's education. To make sure your child feels comfortable taking tests, you can:

- Explain to your child that these tests are tools to help them learn, and they should not be anxious or scared.
- Explore the practice tests with your child at caaspp.org/practice-and-training/index.html so they can become familiar with the platform and setup of the tests.
- Remind your child that you and their teacher want them to try their best and are there to help, every step of the way.

You will receive your child's results at or before the beginning of the next school year. The results will identify where your child is doing well or needs more help, so you can better support their learning at home and teachers can better support their learning in the classroom.

To learn more about these tests go to the Starting Smarter web page at ca.startingsmarter.org/, or review the Parent Guides to Understanding at cde.ca.gov/ta/tg/ca/parentguidetounderstand.asp.

If you have questions, please contact Dana Winqest at (530) 346-2153 ext. 215 or danaw@chicagoparkschool.org.

Sincerely,

Katie Kohler
Superintendent/Principal
