Based upon the information presented in the Statements of Qualifications (“SOQ”), the Selection Committee will choose the most highly-qualified firm(s). The selected Candidate(s) may then be requested to participate in an interview process, at which time they will discuss their Proposal, including a detailed scope of services, proposed fee and schedule. After the interviews, the Selection Committee will identify the firm or firms that can provide the greatest overall benefit for the scope of work. The Chicago Park Elementary School District reserves the right to complete the selection process without proceeding to an interview process and may choose to select a firm based on the information supplied in the Statement of Qualifications.

Section 5 DVBE Guidelines

DVBE guidelines, as established by the Office of Public School Construction, and/or information describing your procedures in seeking DVBE participation if/as relevant to the services provided under this RFQ, shall be part of this Statement of Qualifications.

Section 6 Limitations

The Chicago Park Elementary School District reserves the right to redefine or adjust its priorities, and modify the process as it deems necessary, and to select one or more firms to perform services. At its discretion, the Chicago Park Elementary School District may eliminate any firm or waive any informality in the selection process.

This Request for Qualifications does not commit the Chicago Park Elementary School District to award a contract or to reimburse the proposer for costs incurred in submitting this qualification. The Chicago Park Elementary School District reserves the right to reject any or all proposals received as a result of this request, to negotiate with any proposer, to extend the submission deadline, or to amend or cancel in part or in its entirety this qualification.
