

WeLcOmE

Dear Parents,

I am very excited for the 2023-2024 school year as your student's 6th grade teacher, and am eager to meet both students and parents. I believe in creating an effective partnership with the parents to ensure our children can achieve their highest potential. In order to be successful in school, our students need support from both the home and school. A strong partnership between teacher and parent will make all the difference in your child's education. We share the responsibility for your child's success and my goal is to provide the very best education to help your child reach their full potential. I believe that parent/teacher relationship is necessary for ensuring school success. I encourage you to contact me if you have any questions or concerns at any time. You can call me at the school, send me a written note or contact me via email at womer@chicagoparkschool.org.

Sincerely,

Mr. Omer
