

WELCOME TO KINDERGARTEN

Hello Kinder Families! I am so excited for all that your children will be learning, growing, and exploring this year! The world will become their oyster as they gain the power of letter and number awareness, dive into science discoveries of plants, animals, and themselves, and explore the imaginative world of nursery rhymes, storytelling, and fairy tales.

Most of all we will have boatloads of fun as a Kinder family as we enjoy the magic and wonders of the world around us!

Please bring all of the above items as well as the “Get to Know Your Child” family questionnaire, Pick Up Plans, and Volunteer page to our “Kick Off to Kindergarten Day” on August 12th. Times and more details are shared on the attached flyer regarding this special day for you and your child to dip their toe into our Kindergarten world and start their year off in the most comfortable and confident way possible.

I feel so blessed to begin this school year with your child and look forward to the adventures, inquiries, laughs, challenges, triumphs, and beautiful learning that is in store for us. Thank you for trusting me with the most precious gift of your child—

It is an honor and privilege I do not take lightly.

Here's to a year of adventures together!
